SECTION 1. SHORT TITLE.

This Act may be cited as the “Jaime Zapata Border Enforcement Security Task Force Act”.

SEC. 2. FINDINGS AND DECLARATION OF PURPOSES.

Congress finds the following:

(1) The Department of Homeland Security’s (DHS) overriding mission is to lead a unified national effort to protect the United States. United States Immigration and Customs Enforcement (ICE) is the largest investigative agency within DHS and is charged with enforcing a wide array of laws, including laws related to securing the border and combating criminal smuggling.

(2) Mexico’s northern border with the United States has experienced a dramatic surge in border crime and violence in recent years due to intense competition between Mexican drug cartels and criminal smuggling organizations that employ predatory tactics to realize their profits.

(3) Law enforcement agencies at the United States northern border face similar challenges from transnational smuggling organizations.

(4) In response, DHS has partnered with Federal, State, local, tribal, and foreign law enforcement counterparts to create the Border Enforcement Security Task Force (BEST) initiative as a comprehensive approach to addressing border security threats. These multi-agency teams are designed to increase information-sharing and collaboration among the participating law enforcement agencies.

(5) BEST teams incorporate personnel from ICE, United States Customs and Border Protection (CBP), the Drug Enforcement Administration (DEA), the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATFE), the Federal Bureau of Investigation (FBI), the United States Coast Guard (USCG), and the U.S. Attorney’s Office (USAO), along with other key Federal, State and local law enforcement agencies.

(6) Foreign law enforcement agencies include Mexico’s Secretaria de Seguridad Publica (SSP), the Canada Border Services Agency (CBSA), the Ontario Provincial Police (OPP), and the Royal Canadian Mounted Police (RCMP).

(c) COMPOSITION AND DESIGNATION.—

(1) COMPOSITION.—BEST units may be comprised of personnel from—

- (E) appropriate State law enforcement agencies;
- (F) foreign law enforcement agencies, as appropriate;

(2) DESIGNATION.—The Secretary of Homeland Security, acting through the Assistant Secretary for ICE, is authorized to establish BEST units in jurisdictions where such units can contribute to the BEST program’s missions, as appropriate. Prior to establishing a BEST unit, the Assistant Secretary shall consider the following factors:

(A) Whether the area where the BEST unit would be established is significantly impacted by cross-border threats.

(B) The availability of Federal, State, local, tribal, and foreign law enforcement resources to participate in the BEST unit.

(C) The extent to which border security threats are having a significant harmful impact in the jurisdiction in which the BEST unit is to be established, and other jurisdictions of the country.

(f) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary of Homeland Security \$10,000,000 for each of fiscal years 2012 through 2016 to—

(1) establish and operate the BEST program, including to provide for operational, administrative, and technological costs to Federal, State, local, tribal and foreign law enforcement agencies participating in the BEST program; and

(2) investigate, apprehend, and prosecute individuals engaged in drug trafficking, arms smuggling, illegal alien trafficking and smuggling, violence, and kidnapping along and across the international borders of the United States.

PURPOSE AND SUMMARY

The purpose of H.R. 915 is to establish a Border Enforcement Security Task Force program to enhance border security by fostering coordinated efforts among Federal, State, and local border and law enforcement officials to protect United States border cities and communities from trans-national crime, including violence associated with drug trafficking, arms smuggling, illegal alien trafficking and smuggling, violence, and kidnapping along and across the international borders of the United States, and for other purposes.

BACKGROUND AND NEED FOR LEGISLATION

Immigration and Customs Enforcement (ICE) has partnered with Federal, State, local, and foreign law enforcement counterparts to create the Border Enforcement Security Task Force (BEST) initiative, a series of multi-agency teams developed to identify, disrupt, and dismantle criminal organizations posing significant threats to border security.

The teams are designed to increase information sharing and collaboration among the agencies combating this threat by bringing all of the relevant stakeholders together to facilitate planning and operations to disrupt criminal organizations with a nexus to the border.

BEST teams incorporate personnel from ICE; Customs and Border Protection; the Drug Enforcement Administration; the Bureau of Alcohol, Tobacco, Firearms and Explosives; the Federal Bureau of Investigation; the U.S. Coast Guard; and the U.S. Attorney's Office along with other key Federal, State, local and foreign law enforcement agencies. The Mexican law enforcement agency Secretaria de Seguridad Pública participates in southwest border BESTS, while the Canada Border Services Agency, and the Royal

Canadian Mounted Police participate in BEST teams along the northern border.

This legislation is named in honor of ICE agent Jaime Zapata, who was killed in the line of the duty while serving on a BEST team in Mexico.

The Committee believes that the Border Enforcement Security Task Forces are important interagency forums for cooperation and collaboration and should be authorized. The authorization level of \$10 million included in the bill is consistent with appropriated funding for BEST in FY2011.

H.R. 915—Jaime Zapata Border Enforcement Security Task Force Act

Summary: H.R. 915 would authorize the appropriation of \$10 million for each of fiscal years 2012 through 2016 for the Border Enforcement Security Task Force (BEST) program in the Department of Homeland Security. Under the BEST program, personnel from federal, state, local, tribal, and foreign law-enforcement agencies share information and carry out law-enforcement operations to combat criminal activity near United States borders.

Assuming appropriation of the authorized amounts, CBO estimates that implementing the bill would cost \$48 million over the 2012–2016 period. Enacting H.R. 915 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

H.R. 915 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act (UMRA) and would impose no costs on state, local, or tribal governments.

Estimated cost to the Federal Government: The estimated budgetary impact of H.R. 915 is shown in the following table. CBO assumes that the authorized amounts will be appropriated near the start of each fiscal year and that outlays will follow the historical rate of spending for similar activities. The costs of this legislation fall within budget function 750 (administration of justice).

	By fiscal year, in millions of dollars—
